Liberty Social

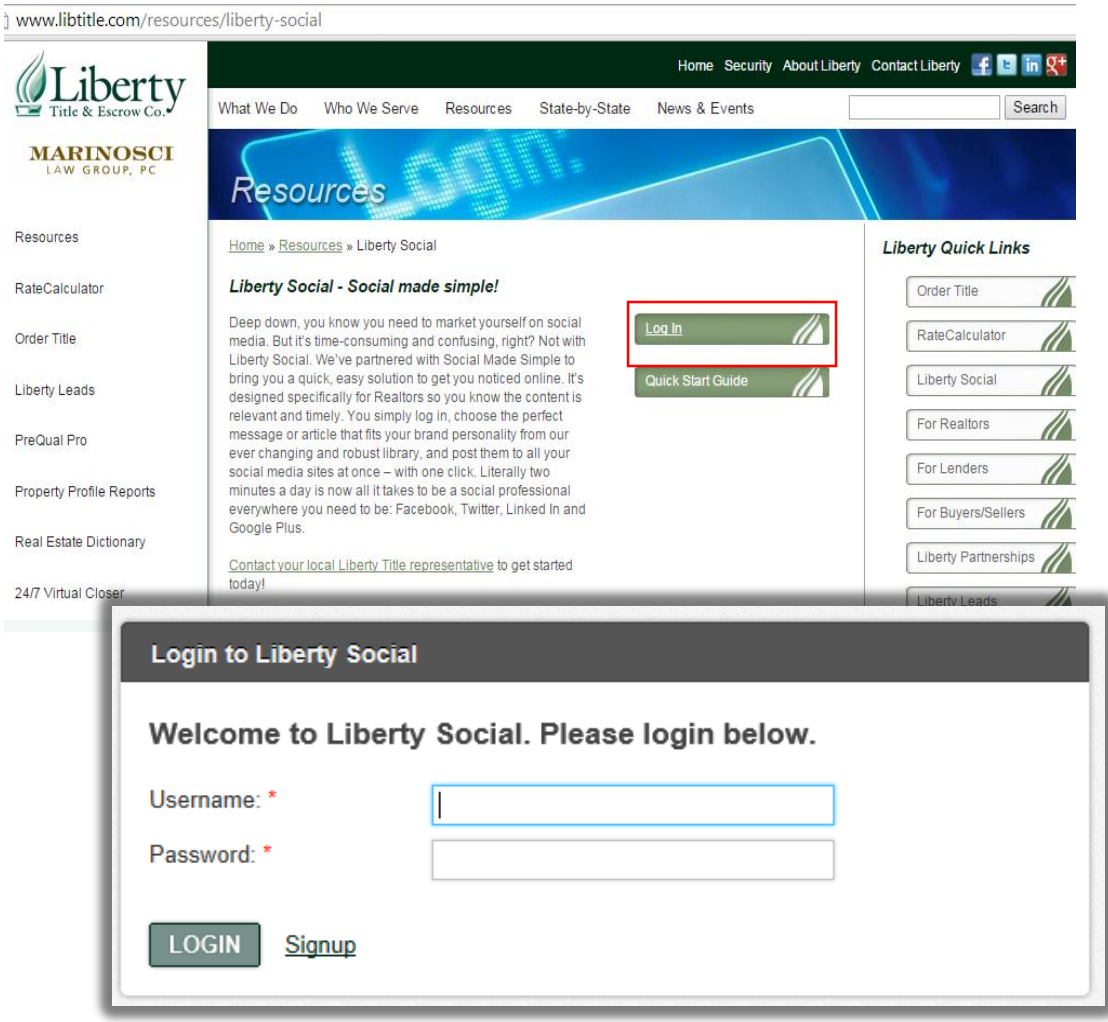
Liberty Social is designed specifically for Realtors making the content relevant and timely.

You simply log in, choose the perfect message or article that fits your brand personality from our ever changing and robust library, and post them to all your social media sites at once – with one click.

Literally two minutes a day is now all it takes to be a social professional everywhere you need to be: Facebook, Twitter, Linked In and Google Plus.

You can access Liberty Social directly on our homepage libtitle.com

OR: http://liberty.social-concierge.com/dashboard/



Email marketing@libtitle.com to request your username and password

Adding Networks

- Here you will connect your social profiles
- Choose the Network you want to add from the options provided.
- A log in window will pop up such as the Facebook Log In window in the picture. Liberty Social will prompt you for authorization to post to your wall and/or to your page.
- Accept this and add other networks until you have added all of them.
